OPEN TO THE PUBLIC

Winston School San Antonio
Summer at Winston

Summer at Winston offers a variety of academic and enrichment courses, art programs, and athletic camps for students ranging from Kindergarten to 12th grade.

Our summer program features The Winston School San Antonio's unique instructional approach, including small class sizes, close monitoring of student progress, and a concentration on student strengths. Summer at Winston is open to Winston and non-Winston students with average to above average intelligence who may or may not have a learning difference.

Learning differences may include:
- Dyslexia
- ADHD
- Oral language disabilities
- Written expression disabilities, including dysgraphia
- Math disabilities, including dyscalculia

Candidates for Winston’s summer program should have:
- Average or above average intelligence
- Adequate vision and hearing
- Absence of primary emotional disturbance

MISSION STATEMENT

The mission of The Winston School San Antonio is to provide a personalized, college preparatory education to students with high potential and identified learning differences. A Winston School graduate is confident, well-rounded, and a life-long self advocate.

Other Important Information:

♦ Upon successful completion of a high school summer course, a grade report will be mailed to the student's home school unless otherwise notified. Transcript will be included.
♦ Textbooks are loaned to students during summer school. Charges will be assessed for any lost or damaged textbooks.
♦ The $200 non-refundable deposit will be applied toward your summer school tuition.

Refund Policy:

♦ WSSA reserves the right to cancel classes due to insufficient enrollment. Tuition will be refunded along with the deposit, **ONLY** if a course/class is cancelled.
♦ It is our policy that students who are asked to withdraw from summer school due to disciplinary reasons, excessive tardiness, and/or too many absences will not receive a refund for tuition or fees, including the deposit. If you have any questions or need more information, please contact the school at 210-615-6544.

The Winston School San Antonio is a non-profit, tax-exempt institution under Section 501(c)(3) of the Internal Revenue Code. All education programs, services, activities, and employment of the WSSA are available without regard to race, color, religion, national or ethnic origin, genetic history, gender, age, sexual orientation, disability, or any other legally protected status.
ACADEMIC PROGRAMS

Morning Academics - $500
Grades: K – 8  Dates: June 15 – July 10  Time: 8:15 – 11:45 a.m.
In this four-week class, students will be reviewing math, reading, and language arts, reinforcing what they learned throughout the school year.
Non-WSSA students will be assessed for placement on Thursday, June 11th at 8:30 a.m. - 12:00 p.m.

Dyslexia Intervention - $450
Grades: 1 – 3  Dates: June 15 – July 10
Class Time: 9:30 – 11:30 a.m.  or  Class Time: 12:30 – 2:30 p.m.*
*The afternoon class is for students also enrolled in Morning Academics.
This intervention class is for students who have a reading disability or are a grade level or more behind in reading class during the academic school year.

Reading Intervention - $450
Grades: 4 – 8  Dates: June 15 – July 10  Time: 12:30 – 2:30 p.m.
The computer-based program Lexia PowerUp Literacy will provide structured practice focusing on phonemic awareness, phonics, fluency, vocabulary, and comprehension.
Class size is limited to 10 students.

Math Camp - $450
Grades: 4 – 7  Dates: June 15 – July 10  Time: 12:30 – 2:30 p.m.
Students will review and reinforce math skills learned throughout the year with a focus on learning new concepts. Concentration will be on place value, understanding decimals, numeration of operations, and math fact fluency. Instruction will be customized to meet the needs of each student individually. Students enrolled must have completed 4th grade at the end of the 2019-2020 school year.
Class size is limited to 10 students.

High School Courses for Credit - $525 (0.5 credit) or $1,000 (1.0 credit)
Grades: 9 – 12  Dates: June 15 – July 10  Time: 8:15 a.m. – 1:15 p.m.
Students can earn up to 1.0 high school credit from core subjects taught throughout the school year. Choose from English, Government/Economics, History, Math, and Science classes.
ENRICHMENT PROGRAMS

3D Art (Clay & Acrylics) - $200 per course
Grades: 9 - 12
Time: 9:00 – 11:00 a.m.
Course 1: June 15 – 26 or Course 2: June 29 – July 10
During each two-week course, students will focus on creating 3-dimensional art pieces and an acrylic painting.

3D Art (Clay) - $125 per week
Grades: K – 8
Dates: June 15 – July 10
Time: 12:30 – 2:30 p.m.
During each one-week class, students will focus on creating a 3-dimensional art pieces out of clay.

Intro to Photography & Videography - $450
Grades: 7 - 12
Dates: June 15 – July 10
Time: 8:15 a.m. – 12:15 p.m.
For the first time in our Summer Program, WSSA is happy to offer a class introducing students to photography and videography. We will focus on getting students more accustomed to shooting proper images and videos; then turn those images around in post-production, highlighting the dynamics of each still and video. Each week, this class will include two days in the classroom and two days on field trips acquiring raw elements for post-production use. (No class on Fridays)

Becoming a Social Detective - $400
Grades: 1 – 4
Dates: June 15 – July 10
Time: 12:30 – 2:30 p.m.
In this class, students will learn how to be "social detectives" by using their eyes, ears, and brains to make sense of social situations; in turn, practice self-awareness, self-management, social awareness, relationship skills, and responsible decision-making. We will also learn a framework that helps them to understand themselves and others by breaking down complex social concepts into understandable and doable parts so they can better navigate the social world. Class size is limited to 12 students.

ROVer Robotics - $200
Grades: 4 – 12
Dates: June 15 – 19
Time: 9:30 – 11:30 a.m.
This is a week-long exploration of robot mobility, sensors, and manipulators inspired by NASA's Mars rovers, Soviet lunar rovers, and much more. Join us to be inspired by some of the most sophisticated devices ever built by mankind. Design and build your own Remotely Operated Vehicle during this engaging week of putting STEM principles into practice.
AFTERNOON ENRICHMENT

Afternoon Program - $195 per week

Grades: K – 8  
Dates: June 15 – July 10  
Time: 12:30 – 6:00 p.m.

Our Afternoon Enrichment Program is based on a weekly theme, filled with fun activities in a recreational setting that may include arts and crafts, games, science experiments, hiking in area parks, trips to museums, movies, swimming on Fridays, and so much more. Snacks in the afternoon will be provided.

Week 1: Mad Science / June 15 – 19

This week, students will become junior scientists while engaging in stem-based hands-on activities that will stimulate problem-solving and creative thinking. We'll also have a special visitor from Mad Science San Antonio.

Field Trips: The DoSeum and to the pool on Friday

Week 2: Dinosaur Discovery / June 22 – 26

This week, students will learn all about these wondrous prehistoric creatures that roamed earth long ago. Dinosaurs may be extinct, but will be very much alive this week with a special visit from Dinosaur George (visit www.dinosaurgeorge.com).

Field Trip: Witte Museum (subject to change) and to the pool on Friday

Week 3: The Olympics / June 29 – July 2

The Olympics is an exciting global sporting event featuring athletes from all over the world. Students will learn how the Olympics came to be and why we only celebrate them every four years.

Field Trip: Urban Air Adventure Park

In observance of Independence Day, there is no school on Friday, July 3rd!

Week 4: Farm – to – Table / July 6 – 10

This week, we will learn about food, nutrition, and farming. We will have a hands-on experience on where food comes from and how farm-fresh produce is turned into a delicious and nutritious meal. Students will have a scavenger hunt at a local farmer’s market.

Field Trips: Farmer’s Market & Working Farm (subject to change); and to the pool on Friday
SPORTS PROGRAM

Basketball FUNdamentals - $125 per week
Grades: K – 8
Dates: June 15 – July 10
Time: 8:15 – 11:45 a.m.
Each one-week program is designed to develop basketball skills and knowledge for players of all levels. Our main focus will be on sharpening the fundamentals of the game through simulating game time situations and running drills. Coaches will group by age.

Speed & Weights Conditioning - $100
Grades: 6 - 12
Dates: June 15– July 10
Time: 7:00 to 8:00 a.m.
This four-week wellness program is designed to focus on strengthening speed by running repetitive drills along with conditioning by integrating weights training. Coach Rodriguez strongly encourages young students and athletes to sign up for this daily workout session that will enhance their overall well-being. Get your student’s day off to a good start with this focused training program.

Speed, Strength, & Conditioning - $125 per week
Grades: 5 – 12
Dates: June 15 – July 10
Time: 9:00 – 10:00 a.m.
Each one-week program is designed to enhance athletic performance and skills while focusing on form, posture, and coordination. Students will also focus on heat acclimation, speed, strength, agility, and conditioning of all sports. Coaches will group by age.

Volleyball Fundamentals & Conditioning - $200
Grades 4 – 12
Dates: July 27 – 31
Time: 9:00 – 11:00 a.m.
This one-week program is designed to enhance and emphasize basic skills to mastering different positions. We’ll also learn the rules of the game and different techniques, while focusing on the mental capabilities and enthusiasm for volleyball. Each day we will work on various drills to assist with footwork, handwork, and raising your ability level as a player. Coaches will group by age. Please bring your own knee pads.

NOTE: All students enrolled in any of the above sports programs, please remember to wear proper athletic attire and shoes. We also recommend students bring their own water bottle to stay hydrated. A sports physical is required for WSSA students planning on participating in Athletics in the Fall of 2020.

31st Annual Learning Symposium

KEYNOTE: Dr. Carol Tolman

31st Annual Learning Symposium

Friday, January 29, 2021

Through her 25-plus years in public education and her extensive experience with reading program implementation, Dr. Carol Tolman has a wealth of knowledge that she will bring to the 2021 Learning Symposium.

Dr. Tolman has published “Working Smarter, Not Harder: What Teachers of Reading Need to Know and Be Able to Do” and “The Relationship between Teacher Knowledge and Effective RtI: When We Know Better, We Do Better.” Additionally, she is the co-author of LETRS (Language Essentials for Teachers of Reading and Spelling) Presenter’s Kits and co-author of multiple LETR modules. We look forward to hosting Dr. Tolman at our 2021 Symposium!
