

TEACHER FEEDBACK FORM
2017 Summer School Program
GRADES K-8TH

The student listed below has applied to The Winston School San Antonio (WSSA) – Summer School Program. The WSSA Summer Program is intended for students with average to superior intelligence who need continued reinforcement of skills already achieved and/or who may be experiencing academic difficulty.

The program is not intended for students whose primary difficulty is emotional or behavioral. The goal of our Summer Program is to provide reinforcement and maintenance of reading, writing, and math skills for students who may benefit from small group instruction and specialized teaching.
