Please note: If you are a returning parent, you may log in with your previous email and password. If you have forgotten your password or want to change your password, follow the directions to "How to Reset your Password"

Returning Parents or School Uploaded Parents Instructions

If you are a returning parent, you can log in with your email and password from last year. If you cannot remember your password, you can follow the steps below to reset your password. If your school uploaded your parent account and this is the first time logging in, you can follow the steps below to reset your password.

How to Reset Your Password

1. Please Start by going to www.ezschoollapps.com/login/parent
2. Click on **Forgot Password**

3. When prompted enter your email address and click **Send Password**

4. Lastly check your email for the link to set your password.
5. If you get this popup, click close and follow the New Parent Signup Instructions.

New Parent Signup

Below are the instructions for parents to create an account. If your parent account does not exist, you can then request access to one or multiple students.

1. Go to www.ezschoollapps.com/login/parent and click on SIGNUP.

2. Type in the school's zip code in the box and click Submit.

- Use the dropdown to select your school. (If you have multiple students in the same district then just choose a single school and submit all of students for that location.)
- Enter your first and last name, phone number and your email address in the corresponding boxes.

If you have multiple students in the same school system then just choose a single school and submit the multiple names. The school that received the request will put the information in for the multiple schools.

- Type in a password in the Create Password box. Then type in your same password a second time in the Confirm Password box.
- Enter the first and last name of each of your students in the final box.
- Finally click Send Account Creation Request. Your registration is completed if you see this box:

Success

The parent account information has been sent to the school. The school will contact you in a day or two after the account has been created.

PLEASE NOTE:

You do not immediately have access to the system. Cafeteria Services must activate your account and link your student(s) to it. The time to complete this process can vary and it is entirely dependent on the number of students to be registered before you. Cafeteria Services will send you an email upon completion.
