Dear Winston School Community,

It is with great enthusiasm that I accept the invitation to serve as the next Head of School at The Winston School San Antonio. I am honored and humbled to serve this happy place and the passionate community members that make it so special. I have been inspired by the emotion and gratitude displayed in the experiences of WSSA community members I have already had the pleasure of meeting.

As I progress from one Winston family to another, I am committed to carrying out the mission of the school in all that we do. I believe every child should receive an exemplary education in an environment that is safe and conducive to their individual learning needs. I look forward to building partnerships and capitalizing on the strengths and talents of the dedicated faculty and staff. I am committed to learning from you and excited to have the opportunity to meet you. I am also eager to partner with alumni and other community leaders to continue to build momentum and vision for the next chapter of The Winston School San Antonio.

Throughout this school year I plan to work closely with Dr. Chobot and the Board of Trustees to ensure a smooth transition. During this time, I will learn more about our school, community, and the unique needs of our students and faculty. I am committed to embracing the positive traditions and practices that are already in place at WSSA while working diligently to ensure success for the future.

My husband, Roger, is eager to return to San Antonio and share its rich culture and traditions he is so fond of. We are thrilled to make WSSA and San Antonio our home and experience all that drives this school family.

With Gratitude,

A handwritten signature in black ink, appearing to read "Michelle".
