SUMMER AT WINSTON

June 3 – 28, 2024

The Winston School San Antonio (WSSA) Summer Program is designed for students entering grades K – 12, who struggle and need the benefit of remediation for the upcoming school year. We offer courses in the following three categories:

FUNDAMENTAL	ENRICHMENT	AFTERCARE
<p>Our fundamental classes work to sustain skills learned throughout the school year and close learning gaps.</p> <p>For high school courses, students have the opportunity to earn 1.0 credit.</p> <p>Our Dyslexia Intervention is taught by Certified Academic Language Therapists.</p>	<p>Our enrichment classes engage and motivate students to unleash their creative and imaginative minds. Through interactive and collaborative work, these courses provide opportunities for students to learn new skills beyond the academic classroom.</p>	<p>If your child has a need for supervision between or after enrolled classes, we are offering childcare for \$175 per week.</p>

High School Courses for Credit

Credit courses are demanding academically, and the summer schedule is rigorous. Credit will not be awarded to students who miss more than one class. Upon successful completion of a high school summer course, a grade report will be mailed home along with a transcript.

Withdrawals

If a student withdraws from a credit course after the start of summer school on Monday, June 3rd, the withdrawal, and withdrawal grade will be noted on the student's permanent record. A withdrawal will require a parent's written authorization.

Extended Day (Aftercare)

Our Extended Day Aftercare will be held in the Dining Hall from 3:00 to 6:00 pm daily. Students must be picked up on time. Parents arriving after 6:00 pm will be charged \$15 for every 10 minutes that you are late. The fee for Extended Day is \$175 per week. Registration is required.

Summer at Winston

Our Summer Program features WSSA's unique instructional approach, small class sizes, close monitoring of student progress, and a concentration on the students' strengths. Summer at Winston is open to Winston and non-Winston students with average to above average intelligence who may or may not have a learning difference. A learning difference may include ADHD, Dyslexia, Dysgraphia, and Dyscalculia.

A Summer of Amazing Opportunities**Registration Checklist**

Complete the registration form by scanning the QR code or you can access the link on our website under the Academics tab, by clicking on Summer Program. Please check all the appropriate classes/courses for which you would like to register.

After we receive your completed registration form, you will then need to complete the following forms and return them along with a non-refundable deposit of \$200 to the school's Front Office.

- ☐ [Accident & Illness Form](#)
- ☐ [Medical Information Form](#)
- ☐ [Medication Procedure Form](#)
- ☐ [2024 Summer School Publicity Release Form](#)
- ☐ [Sports Physical Form](#) (if applicable)

Refund Policy

The Winston School San Antonio reserves the right to cancel classes/courses due to insufficient enrollment. Tuition will be refunded along with the deposit, ONLY if WSSA cancels a class/course.

It is our policy that students who are asked to withdraw from our summer school due to disciplinary reasons, excessive tardiness, and or too many absences will not receive a refund for tuition, including the deposit.

Other Important Information

- The non-refundable \$200 deposit will be applied to your summer school tuition.
- Textbooks are loaned to students during summer school. Charges will be assessed for any lost or damaged textbooks.
- If you have any questions, need additional information, or have issues with the registration form, please contact us at 210-615-6544.

Mission Statement

The mission of The Winston School San Antonio is to provide a personalized, college-preparatory education to students with high potential and identified learning differences. A Winston School graduate is confident, well-rounded, and a life-long self-advocate.

For more information, please contact our front office at 210-615-6544. Please scan the QR Code to access the [registration form](#) or visit us at www.winston-sa.org.

A Summer of Amazing Opportunities

ACADEMIC PROGRAMS

Reading, Phonics and Spelling (\$450)	
Grades K – 4 th	Times: 8:00 to 10:00 am
Reading and writing concepts are taught at each level through small-group instruction, phonics-based, and multi-sensory techniques. Instructors use Orton-Gillingham methods for reading fluency and spelling.	

Dyslexia Intervention (\$450)	
Grades K – 8 th	Times: 8:00 to 10:00 am
This intervention class is for students who have a reading disability or are below a grade level or more in reading class during the academic school year. This program is designed to provide strategies to develop and build upon skills in the core areas of phonemic awareness, decoding, and encoding. *Students will be grouped by grade level.*	

Math Foundations (\$450)	
Grades K – 8 th	Times: 10:30 am to 12:00 pm
Grade level math concepts are taught at each level through small group instruction, the use of technology, textbooks, games, and projects. Tactile manipulatives are used to increase conceptual understanding and connect ideas through hands-on learning. *Students will be grouped by grade level.*	

Math Intervention (\$450)	
Grades K – 8 th	Times: 10:30 am to 12:00 pm
The math intervention program uses explicit and targeted instruction and practice of essential concepts. This program is designed for students who are not yet performing at grade level. *Students will be grouped by grade level.*	

Comprehension & Writing (\$450)	
Grades 5 th – 8 th	Times: 10:30 am to 12:00 pm
This course will engage comprehension strategies for passage, short-story, and novel reading. Students will work on fundamentals of writing at each level (sentence structure, paragraph development, and message writing). Keyboarding and Speech-to-Text technology are available for all students. *Students will be grouped by grade level.*	

A Summer of Amazing Opportunities

ENRICHMENT PROGRAMS

Creative Writing (\$650)	
Grades K – 4th	Times: 12:30 to 3:30 pm
In this course, young students will build their reading and writing skills by studying the works of picture book masters. Each day in class, students begin by reading and discussing a picture book addressing an advanced Language Arts topic. Followed by trying their hand at writing with a unique assignment based on the day's topic. In the final days of this course, students will have the chance to apply what they have learned as they write and illustrate a picture book of their very own.	

2D & 3D Art (\$650)	
Grades K – 6th	Times: 12:30 to 3:00 pm
Grades 7th – 12th	Time: 9:00 – 11:30am
Students will investigate a wide range of media and techniques as they engage in drawing, painting, and clay modeling. *Students will be grouped by grade level.*	

STEM Innovation (\$650)	
Grades K – 6th	Times: 12:30 to 3:00 pm
Grades 7th – 12th	Times: 9:00 – 11:30 am
This course is intended to integrate the fields of Science, Technology, Engineering, and Mathematics through project-based learning and design thinking. Students will use background knowledge, make cross-content connections, build confidence, and engage in collaboration and creativity to solve problems. *Students will be grouped by grade level.*	

Theater Arts (\$650)	
Grades K – 12th	Times: 12:30 to 3:00 pm
Grades 7th – 12th	Time: 9:00 – 11:30 am
Students will investigate a wide range of media and techniques as they engage in drawing, painting, and clay modeling. Students will be grouped by grade level.	

A Summer of Amazing Opportunities

Creative Writing (\$650)	
Grades 5th – 6th	Times: 12:30 to 3:00 pm
Grades 7th – 12th	Times: 9:00 – 11:30 am
This summer writing program offers students interested in different types of writing to immerse themselves in the field. This program ranges from creative writing to playwriting, to poetry, and everything in between.	

Executive Function Junction (\$650)	
Grades 5th – 6th	Times: 12:30 to 3:00 pm
Grades 7th – 12th	Times: 9:00 – 11:30 am
Executive Function coaching provides a low-stress environment for students to work on their EF skills including organization, time management, task initiation, efficient studying habits, and more.	

Conversational Spanish (\$650)	
Grades 7th – 12th	Times: 9:00 to 11:00 am
This course is an introduction to the study of the Spanish language with instruction structured to promote the development of speaking and listening skills for direct application within any setting. Students will focus on the development of vocabulary, pronunciations skills, basis sentence patterns, and an overview of the Latin culture.	

Entrepreneurship (\$600)	
Grades 7th – 12th	Times: 12:30 to 3:00 pm
Starting a business is more than just a good idea. Successful entrepreneurs know how to use and apply fundamental business concepts to turn their ideas into thriving businesses. Explore topics such as identifying the best business structure, business functions and operations, finance, business laws, regulations, and more!	

A Summer of Amazing Opportunities

E-Sports (\$600)	
Grades 7th – 12th	Times: 10:00 am to 12:00 pm
<p>This course will investigate the Esports industry by 1) playing, strategizing, and analyzing video games, 2) researching how competitions are organized and run at the professional level, 3) learning about the sport and the history of gaming, and 4) creating content to contribute to the video game community. Whatever type of gamer you are, this course will allow you to problem-solve, communicate with a team, and learn about a new exciting industry all while improving your gaming skills.</p>	

Athletics – Strength & Conditioning (\$525)	
Grades 7th – 12th	Times: 7:00 to 9:00 am
<p>This program is designed to enhance athletic performance and skills while focusing on form, posture, and coordination. Students will also focus on heat acclimation, speed, strength, agility, and conditioning of all sports. Coaches will group by age.</p>	

HIGH SCHOOL COURSES FOR CREDIT

High School Course List 0.5 credit (\$825) <u>or</u> 1.0 credit (\$1,625)	
Grades 9th – 12th	Times: 8:15 am to 12:15 pm
<p>Students can earn up to 1.0 high school credit from core subjects taught throughout the school year. These courses are designed for students who have some previous knowledge of the course material and are best suited for credit recovery or remediation.</p> <ul style="list-style-type: none"> • UTSA Cybersecurity • Algebra I & II • Geometry • English I, II, III, IV • Biology • Chemistry • Physics • American History • World History • World Geography
