O p p o r t u n i t i e s

It is hard to imagine a more powerful team than a school and its parents working together for the good of their children. Volunteering can be rewarding! It helps you meet other parents and gives you deeper insights into the lives of your children and their classmates. It also helps you get to know Winston better - who the staff and volunteer leaders are, how the school operates, and how its mission is carried out. Thank you for your interest in volunteer opportunities!
